RESEARCH INTERESTS

Dissertation: "State Capacity and Human Rights: Explaining the Tools of Repression" This dissertation explores the different dimensions of state capacity and develops a quantitative measure of each dimension. The project then uses those measures to help explain patterns of state respect for 11 internationally recognized human rights.

Additional Interests: Human Rights Norms in International Law; Human Rights and the Environment; Human Rights and Civil Conflict; Quantitative Measurement
Conceptualization and Development

RESEARCH AFFILIATIONS

Faculty Affiliate, Economic and Social Rights Research Group, Human Rights Institute (HRI), University of Connecticut

Affiliate, Human Rights Research Consortium
